The image features two overlapping, irregular, closed shapes. The outer shape is a thick green line, and the inner shape is a thick red line. Both shapes have a similar profile: a rounded top-left corner, a peak on the left side, a dip in the middle, a broad rounded top-right, and a vertical drop on the right side. The red shape is nested within the green one, following its general outline but with a slightly different internal contour. In the center of the white space between the two shapes, there is black text.
