Outdoor Advertising Sails are large, freestanding advertisements stretched with flexible fiberglass masts. A unique solution, simplicity of assembly and low price will satisfy large customers.

The print on a 90-gram polyester knit gives the possibility of partial wind penetration.

The product is available in 4 shapes

1. A triangle with dimensions 3.5 x 3 m high
2. Trapezium with dimensions 4 x 3 meters high, and 3 x 4 meters high
3. Square with dimensions 3 x 3 m
4. Rectangle with dimensions 3 x 5 m long (other lengths on special order)

During stronger winds, you can quickly dismantle the advertisement
